- [REDACTED] 3:19 PM  
You mean this winter or next? I'm banking on next. Don't know. Haven't received a call. I'll try later
- [REDACTED] 3:22 PM  
Hahaha. Well it was the thought that counts. You giving me a broken radio and all..
- [REDACTED] 3:24 PM  
It worked when it left my hands that day! Did you use it as a chock block maybe?
- [REDACTED] 3:25 PM  
It's only you that knows it. I can't say it ever worked for me. It was the thought that counts. Remind me not to take your white elephant gift at Christmas.
- [REDACTED] 3:26 PM  
What, you saying you don't trust me?
- [REDACTED] 3:27 PM  
You use to be a detective...just look at the evidence.
- [REDACTED] 3:27 PM  
Lol!!! Just kidding bro, I give great white elephant gifts! Hey, is that a racist statement now?
- [REDACTED] 3:28 PM  
Oh that's a good point. Maybe with all my privileges I just over looked it?
